OHIO SAMPLE PICK UP SYSTEM

Drop boxes are available for forage, feed, water and manure samples. There are 16 drop box locations starting at the Marathon Gas Station in Lewisburg, OH (Location 1) and heading north to Heartland Coop in Celina, OH (Location 16). There is also a drop box at our Fort Loramie, OH lab.

Samples left at these locations are picked up after 7:00 PM Sunday through Thursday nights. There is no pickup on holidays when the lab is not in operation. See www.foragelab.com for a list of holiday closings.

All samples are taken to our Fort Loramie, OH lab for processing. There is a $4.50 handling fee per sample for utilizing a drop box.

Using the Drop Box

When dropping off samples, please send a text message to the number on the top of the drop box with the location, account name, and number of samples dropped. This information will assist us in planning the pick-up on any given day.

Results for NIR analysis should be available the next business day, following drop off. Sample bags and testing information is available at each drop location. Supplies may also be requested by emailing mail@foragelab.com.

Please be respectful of the businesses that have given permission for us to place drop boxes at their locations. Thank them for that privilege if you have opportunity.

Alternatives to Using the Drop Box
