

VIEWING AND DOWNLOADING BULK EXPORT DATA REPORTS ON CVAS CLIENT PORTAL

To provide access to historic results for our users, CVAS has a client portal to include a **"Bulk Export"** tab that provides access to PDF and Excel downloadable files of client samples that can be sorted and/or organized based on category options within the database.

1. After logging into your CVAS client portal by using the Login link on the home page (www.foragelab.com) you will see a tab titled **"Bulk Export".**

Dashboard Forage and Feed Data Specialty Report Manure Data Water Data Global Data Summary Sample Submission Bulk Export Viewing Sample Information & Analysis Results Report

- 2. Once you are on the Bulk Export Data tab, use the drop-down menus to filter your results. You may search by using fields such as description, farm name, date ranges, forages, protein feeds, and other items.
- 3. Once you've selected your search criteria, click submit below.

8	Select 🗸 Go	
Sample Description	Forages	
Farm Name	Grains	
Select Farm	•	
Linked Account	Protein Feeds	
Select Account	×	
Batch	ByProducts/Ingredients	
Code (From) Code (To)	TMR	
Completed Date (From)	Mineral/Ingredients	
5/2/2021		
Completed Date (To)	Manure	
6/2/2021		
	The maximum number of samples allowed to download in excel is 5,000.	

- 4. Results available will be shown below the search options above. Select results as desired separately, or select all to download up to 5,000 results at a time via excel.
- 5. Using the menu at the top of the page, choose the excel icon to select all results in a CSV file format, the PDF icon to download PDFs of each report or using the drop-down menu choose from several summary reports that will summarize all data from those samples.
